Pahokee Hospital Will Be Dedicated Friday, May 12

Directors of the Everglades Memorial Hospital in Pahokee are planning dedicatory services to be held next Friday, May 12, at 1:30 p. m., according to announcement by C. A. Batchelor, chairman of the hospital board.

Lake Lytal, chairman of the Palm Beach County Commission, will deliver the dedicatory address, Mr. Batchelor said. The dedication program is scheduled early enough in the afternoon so that visitors will have plenty of time to inspect the handsome new hospital during the afternoon.

Members of all civic and business organizations in Pahokee will be invited to participate in the program, Mr. Batchelor said. Invitations are being sent to the various heads of all civic organizations asking that a representative be appointed to attend the dedication. In most cases the president of each group will have a seat on the platform and a part in the program.

Others to be invited to have a prominent spot on the program are those who donated money to equip private rooms, Mr. Batchelor said.

Among the groups to have a representative on the platform are: Rotary, Lions, Elks, Masons, Woman's Club, Business and Professional Woman's Club, Sorority, Garden Club. Many state and county dignitaries are being invited to have a part in the dedication.

The public is cordially invited to attend the dedicatory service and make a full and complete inspection of the building immediately after the services.

Band Nets \$208.44 In 2 Nights At Theatre

Robert O. Lampl and his Pahokee high school band netted \$208.44 from their two night performances at the Prince Theatre last week. The Gold-Dobrow organization split every dollar that came into the box office with the youngsters who were raising money to go to the state band contest in Miami this week end. Paul Rardin appeared before the Elks club last week and asked for a donation of \$100 for the band. The Elks readily gave the amount. Rardin asked for the musicians.

Members of the Everglades Business and Professional Woman's Club who attended the installation dinner of the West Palm Beach B&PWC at the Palm Beach Country Club Wednesday night included Mrs. Valarie Larimore, Mrs. Doris Phillips and Miss Lucille Williams.

Mrs. Conrath was taken to the Everglades Memorial Hospital for treatment and observation but was able to return to her home Wednesday. Record Season Is Enjoyed By Sugar Company This Year

CLEWISTON — As the largest sugar cane harvesting season in history came to a close, Clewiston celebrated Friday by crowning King Cane IV and Queen Sugar IV in colorful ceremonies to an overflow crowd in Civic park.

The newly royalty, crowned with appropriate fanfare, are King Gayman Rackstraw and Queen Ann Morrison, elected by employees of the United States Sugar Corp.

Fred C. Sikes was master of ceremonies.

Attendees were Kenneth Johnson, Mrs. Jerry Atkins, Pope Sears, Mrs. Johnny Anderson, William Parrish, Mrs. Mary Pate, Davis Dyal and Miss Mildred Clark.

Pages were Sarah Beth Sikes and Gayle Geiger.

The harvesting season actually ended April 22, but the sugar corporation completed tabulation of production figures only Saturday.

In 180 days from Oct. 25, a total of 979,100 tons of sugar cane were ground, the highest in history, according to H. T. Vaughn, executive vice president and general manager.

A total of 555,905 bags of raw sugar, each weighing 325 pounds, were produced.

Vaughn attributed the big crop to good weather during the growing and harvesting season.

Seasonal maintenance work will be started immediately at the mill. On June 3 the plant will be closed for 32 days, with maintenance work resuming on July 4.

During the season, 35,000 visitors were shown how raw sugar is produced.

Mr. and Mrs. James L. Jones have returned to their home in Buffalo, N. Y., after spending the season in Canal Point with their son and daughter-in-law, Rev. and Mrs. Earl J. Jones.

Lewis Friend Is Mayor And Clyde Alley Clerk

HONOR CHOIR

Members of the Vesper Choir of the Pahokee First Methodist Church will be honored at a turkey dinner to be held in the Woman's Club building on the night of May 11, at which time the Vesperites will reveal their identity to the Vesperites they have been sponsoring since the choir was organized.

Mayor Richardson Concedes Election To Lewis Friend

Mayor T. C. "Dick" Richardson, who received 203 votes in Tuesday's Pahokee election was second to Lewis Friend, who polled 595 votes. In a statement issued Thursday morning Mayor Richardson said:

"I hereby concede the mayor's election to Mr. Friend. Technically I am still in the run-off race since my name will officially appear on the ballot, but, I am making no effort to secure votes. The people of Pahokee have honored me with two terms in office for which I am grateful. I have congratulated Mr. Friend and offer him my hearty cooperation."

Swimming Pool Is Most Popular Spot

One of the most popular spots in the community these days is the swimming pool at the Pahokee city park.

Nearly 300 persons, mostly children, enjoyed the cooling waters on Sunday, the opening day for the season, and a large crowd of spectators were on hand to see the splashy fun and view the newly decorated pool which has been painted blue inside and green outside.

The tennis courts and tennis table were also almost in constant use during the opening day and plans are under way to get soft ball leagues organized in the near future to round out the summer recreation program.

Activities at the city park are under the supervision of Charles (Buddy) Brown, popular recreational director. If the landscaping and beautification program planned by Mr. Brown and members of the Garden Club, which has already been started, is carried through the Pahokee city park will be transformed into an outstanding beauty spot of the Glades area.

Degree Team Is Prepping For Contest

The Pahokee Elks degree team put on the work at West Palm Beach lodge Wednesday night and will appear in Lake Worth on May 16. This is in preparation for the state contest to be held in West Palm Beach May 21, 22, 23.

Runoffs loomed in 3 of the six races for city office, as the result of Tuesday's municipal election, following a night of tabulating the 1,032 hand ballots.

Clyde Alley defeated W. P. Walker (incumbent) for clerk, 688 to 327, and James Harry Wilkinson, Jr., with 529 votes, won the council seat in Group 1 over J. D. Rogers, with 430. In other races, all of which had more than two contestants, the results will have to be decided May 9.

Lewis Friend, high man in the mayoralty race, with 595 votes was conceded the election Wednesday by Mayor T. C. Richardson, second with 203. Others in the race: Glenn H. Abling, 62; Victor L. Geiger, 65; George D. Meade, 183.

Police Chief Altman Morgan topped the list of five contenders for his office with 420 votes, while Leon Guthrie was second with 372. The two will compete next Tuesday. Others in the race: W. A. Keen, 125; Dave Lovell, 56; B. W. Wood, 59.

In Group 2 for the council, R. B. Simonson led with 444 votes, while I. J. Frasure, Jr. (incumbent), was second with 275. Don Hillier, 242, was eliminated.

In Group 3, the race will be between D. W. Cunningham, 470, and Loren Meredith, 261. R. S. Douthit, Jr. (incumbent) was pushed out of the race as low man with 229 votes.

Tennis Matches Arranged Sunday

An outstanding tennis exhibition has been planned for the Pahokee City Park on Sunday afternoon, according to officials of the Lions Club who are sponsoring the afternoon's entertainment.

Recently new tennis courts were completed by the Lions Club with the help of other organizations. Since opening of the courts they have been receiving full time play at the hands of youngsters and oldsters alike.

Lions thought it a good idea to bring some outstanding players here in order that the local players could see some real tennis first hand.

From Miami Sunday will come Garden Malloy who is a member of the Davis Cup team and number three ranking amateur in the nation. He will play Tony Vincent in the afternoon's program.

Al Harum will meet Fred Bill and Suzanne Herr will play Stella Grimaldi.

Lion Rupert Mock, under whose direction the matches have been arranged, says that an admission charge of one dollar will be made for adults in order that all expenses may be defrayed for the visitors and at the same time allow Pahokee youngsters to see real tennis on the local court.

News Notes From State Capital

TALLAHASSEE—John T. Wigginton, Tallahassee attorney, began this week the history-making revamping of the Florida Bar, following his election to the presidency at the recently closed Orlando Beach convention of the Florida State Bar Association. At that convention, the association was dissolved, and the new Florida Bar, authorized by the supreme court of Florida, and requiring every practicing lawyer and judge to join, was begun. John Allison of Tampa is president-elect. Wigginton's lead for the top job resulted from his long and successful efforts to modernize the rules for civil lawsuits, recently adopted by the supreme court. James Bruton of Plant City headed the committee which successfully achieved the integrated bar, as the new format of organization is called.

TALLAHASSEE—Florida Telephone Corporation has been denied a request for increased telephone rates by the Florida Railroad and Public Utilities Commission. In an order following a public hearing, the commission held that the telephone company is earning more than 6 per cent on its investment and therefore is not entitled to any more.

TALLAHASSEE—The 1949 revision of the general statutory laws of Florida is off the press, a bargain at \$12.50, according to Attorney General Richard W. Evelyn. His statutory revision department has done the complete job in less than seven months from the time the legislature ended its special session in 1949, and he said this is a record. Usually, he added, it has required from three to nine months more to get up the laws after the legislature goes home. The new work combines in two volumes the general statutory laws of Florida previously contained in the 1941 revision and later supplements and is completely down to date. Up to 1938, the statutory laws were carried in a dozen volumes costing \$202.50 per set. Charles Tom Henderson, assistant attorney general, who heads the statutory revision work in the attorney general's office, said he is turning the new books over to the secretary of state who will sell and distribute them. This is the fourth time since 1845 that Florida statutory law has been officially revised and brought up to date.

TALLAHASSEE—Another reason for the state treasury's pleasantly stuffed appearance is the auto license tax collections, reported by Commissioner Arch Livingston as running 10 per cent ahead of last year. At the end of the first three months of this year, he said, his department has collected almost as much as it did in the entire year of 1949, \$17,033,564 as compared to \$18,983,623. This feeds the general fund, from which schools and state draw their expense money.

TALLAHASSEE—Spurred on by a recent Florida Press Association clinic, the journalism department of Florida State University has set up a news clinic that lacks only a press. Students prepare and process copy, both local and telegraphic. They also prepare advertisements and enter into the business management of the newspapers. Someday, Dr. Richard E. Elde, the director, hopes they may have the complete mechanical equipment to make journalistic real newspapering.

TALLAHASSEE—Most of the cuts in April welfare checks will be restored by cabinet action in releasing \$330,000 for this purpose. Comptroller C. M. Gay recommended the release, which brings up to 95 per cent of the money put out under the 1949 appropriations act for the needy aged and blind.

TALLAHASSEE—New director of the Florida Crippled Children's Commission is Dr. A. H. Welland of Coral Gables, who will succeed Dr. L. J. Graves of Tallahassee on June 30. Dr. Welland will keep his headquarters in Miami, and Mrs. Jane Fleetwood will become assistant to the director and remain in charge of the main offices in the capital city.

TALLAHASSEE—Chairman W. T. Edwards of the state tuberculosis board announced that Dr. R. D. Thompson has been appointed medical director of the new state tuberculosis hospital at Lantana, in Palm Beach county. He was formerly medical director and superintendent of the TB sanatorium near Orlando, resigned to become president of the National Tuberculosis Association. He will assume charge this month and assist with plans for the opening. This is the first of three such hospitals to be built in Florida with state-federal funds, and will house 500 patients.

Cinematic Chatter

By Malcolm Miller

Boasting a brilliant cast headed by the inimitable Bing Crosby, by the story by Mark Hellinger and under the direction of Frank Capra comes a musical show that is tabbed as the best musical comedy that the "Groaner" has ever made. It is "Riding High" and it comes to the Prince Theatre, Sunday-Monday, May, 7-8.

Lovely Coleen Gray, a talented Hollywood newcomer whose delightfully appealing personality marks her as a young lady to watch, has the lead role opposite Crosby, while statuesque Francis Gifford and Charles Gifford round out the starring cast.

"Riding High" is a heart-warming story that offers "Der Bingle" plenty of opportunity to sing and cut-up in his incomparable, easy-going fashion. Among the tunes he croons are "Sunshine Cake," "Sure Thing," "Somewhere on Anywhere Road," and "The Horse Told Me."

Others in the cast worth the mention are William Damaree, Raymond Walburn, James Gleason, Ward Bond, Clarence Muse, Percy Kilbride and Harry Davenport. I know you'll love this show! See you at the movies—Mal.

Dr. and Mrs. Gordon H. Schuetter had as guests Wednesday his mother, Mrs. J. H. Schuetter, and his sister, Mrs. Gladys Sharpe, both of West Palm Beach; also his aunt, Mrs. Louise Rezhak, of Cleveland, Ohio.

Mutual Citrus Has Meeting June 20

LAKELAND—A seven-man committee has been named by Florida Citrus Mutual to work out details for the annual meeting to be held June 20 in the Nora Mayo Auditorium, Winter Haven. In this weekly letter sent to all growers, Alden Drury, general manager, said the committee consisted of Earl Brown, chairman, Pierson; Dallas J. Simmons, Bradenton; Vernon L. Conner, Mount Dora; Dan L. McKinnon, Winter Garden;

J. J. Parrish, Jr., Titusville; W. S. Fletcher, Arcadia, and M. C. Delpier, Lake Wales.

Drury spoke at the sixth annual Gulf Citrus Growers Institute at Brooksville last week and said, "the record so far has been one of which all of us can well be proud. Mutual has set a pattern that is the envy of agricultural groups from coast to coast."

Mrs. H. J. Anderson entertained Sunday at her home on Bacom Point Road with open house, honoring her husband on his birthday anniversary. Refreshments were served to approximately 30 guests.

RUMOR

Rumor has it that I will not cooperate with other elected officials if I am elected to the City Council in Group 3. This is contrary to my way of thinking and I assure Pahokee voters I will work harmoniously with all elected officials. I will appreciate your support in the run-off next Tuesday.

Brandes who has been in charge of the Division of Sugar Plant Investigations through all the years that John has been in the service of the Government. CHURCH OF CHRIST, SCIENTIST

"ADAM AND FALLEN MAN" is the subject of the Lesson-Sermon which will be read in the Churches of Christ, Scientists, throughout the world on Sunday, May 7.

The Golden Text is: "When I said, My foot slippeth; thy mercy, O Lord, held me up" (Ps. 94:18).

Among the citations which comprise the Lesson Sermon is the following from the Bible: "This I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh. . . . If we live in the Spirit let us also walk in the Spirit" (Gal. 5:16, 25).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All human knowledge and material sense must be gained from the five corporeal senses. Let

this knowledge safe, when eating its first fruits brought death? . . . When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you; that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal' (532:5-7, 476:23-32).

Our New United States Senator

GEORGE A. SMATHERS OF MIAMI

The emphatic margin by which New Deal Claude Pepper went down to defeat in Florida surprised most politicians, and set them wondering what it meant for coming contests elsewhere.

With returns almost complete from Tuesday's democratic primary, 36-year-old Rep. George Smathers had built up a lead of well over 60,000 over Pepper. Most politicians had expected a close race.

Pepper, who has served 14 years in the Senate, was the first casualty among incumbents of either house in the young primary season.

Pepper conceded victory to his youthful opponent Wednesday after incomplete returns from Tuesday's Florida Democratic primary

showed Smathers leading by well over 50,000 votes.

Returns from 1,537 of the State's 1,595 precincts gave Pepper 308,480, Smathers 376,868.

Smathers, 36-year-old former Marine now serving his second House term, said, "it was a victory for individual liberty and individual freedom . . . those were the issues in this campaign."

Smathers, who heard the news of his triumph at his Jacksonville campaign headquarters, also told reporters:

"This campaign was won on the issue of freedom. The people have spoken, and naturally I'm happy they want to continue this system of democracy and are still interested in the principles of freedom."

It had been a "rough, tough campaign," he said.

Mrs. P. P. deMoya will serve as Secretary.

The week before the Bishop's visit — on April 23rd, "Friendship Sunday" at Holy Nativity — the Vicar and congregation were happy to have a number of friends from other churches worship with them. The Holy Eucharist was offered for Christian Unity, and the sermon was on "What the Episcopal Church Stands For." Afterwards, members and their guests were entertained at a covered dish luncheon at the home of Mr. and Mrs. Norman Kennedy.

Currently at Holy Nativity, plans are being made for organizing a Sunday school to provide religious training for all age groups. Any parents who are not at present attending Holy Nativity but who would like their children to be enrolled in the Church school should contact Father Latimer or the Women's Auxiliary. An announcement of the opening date will be made in the near future.

Mrs. McKinstry Heads St. Martha's Guild

Mrs. Sam McKinstry, Jr., was elected president of St. Martha's Guild Episcopal Church of the Holy Nativity, at a recent meeting at the home of Mrs. Curtis Chase.

Other new officers chosen were Mrs. Thomas Bregger, vice president; Mrs. P. P. deMoya, secretary, and Mrs. O. R. Blech, treasurer. The group made plans to sponsor a rummage sale in front of the Showboat theatre Saturday, May 6.

Boyd Vorhees Heads Canal Point Lions

Boyd Vorhees was elected president of the Canal Point Lions Club at the annual election of club officers held during the regular dinner meeting Monday night. He will take office July 1.

Other new officers elected were O. H. Sheppard, first vice president; G. T. Echols, second vice president; Grady Boynton, third vice president; Ansil Holt, secretary; Alton Jones, treasurer; Henry Kautz, tall twister; J. P. Parker, Lion tamer; Floyd Erickson and W. A. Adams, two-year directors, and Albert Fremd, one-year director.

A. R. Harrington, retiring president, presided at the meeting.

"God And Country" Is Mrs. Maxson's Theme

The Canal Point Methodist Woman's Society of Christian Service met Tuesday afternoon at the home of Mrs. L. C. Livingston with the president, Mrs. W. K. Buchanan, presiding.

Mrs. N. E. Maxson presented a program which had as a theme, "God and Family." She was assisted by Mrs. F. W. Cross, Sr., Mrs. A. R. Harrington and Mrs. Osceola Upthegrove. Mrs. Pope Sears led the devotionals.

The group voted to send a "Care" package to Japan and to send a "love offering" to Cuba.

Mrs. F. M. Wilson was named a delegate to represent the group at the State WSCS Conference. Mrs. Don Kepp, finance chairman, reported the purchase and installation of a new stove for the parsonage. Mrs. Laura Vorhees was a visitor.
